# IT'S TIME TO GET 'APPY WITH SILCA

## New Silca APP

**With the FREE new MySilca App you can have the full wealth of experience of the world's number 1 key and key machine manufacturer at hand, anytime, anywhere.**

Available for iOS and Android this new app is downloadable from Google Play or App Store for free.

### Features include:

Electronic Key Catalogue with graphics and comparisons from the largest key database in the world. This catalogue even features the Charles Birch hook number for easy ordering from your local Birch warehouse.

Vehicle Key Finder – Simply fill in the make, model and year of manufacturer of the vehicle and the vehicle finder will not only tell you which blank that you require but also which transponder and how to programme it.

Leaflets, brochures and video tutorials on most Silca machines and applications including the latest Futura machine and the new AIR4 remotes.

**Download  
your FREE  
SILCA APP
