

#### Choose the pure energy of colour!

Slim Colour is a brand new Silca item for your colored keys. Five fluorescent varieties that permit immediate identification of keys for different uses without having to significantly change their depths.

There are multiple advantages:

- Less depth
- Universal models with long necks and "L" shaped heads
- Original heads for profiles
- Five colours: fuchsia, blue, green, red, orange
- Assorted package

#### Scegliete l'energia pura del colore!

Slim Color è la nuova proposta Silca per le vostre chiavi colore. Cinque varianti fluorescenti che consentono di identificare immediatamente chiavi destinate a utilizzi diversi e senza modificarne in modo rilevante lo spessore.

I vantaggi sono molteplici:

- Spessore ridotto
- Universali con collo lungo testa "L"
- Teste originali per profili
- Cinque colori: fucsia, blu, verde, rosso, arancio
- Confezione assortita

#### Wählen Sie die pure Energie der Farbe!

Slim Color ist unser Vorschlag für Ihre farbigen Schlüssel. Fünf transparente Farbvarianten, mit denen Sie Ihre für unterschiedliche Zwecke bestimmten Schlüssel leicht erkennen können, ohne dass die Stärke des Schlüssels wesentlich verändert wird.

Die Schlüssel weisen zahlreiche Vorteile auf:

- Geringe Stärke
- Universalschlüssel mit L-Kopf und langem Hals
- Originalköpfe für die Profile
- Fünf verschiedene Farben: fuchsia, blau, grün, rot und orange
- Neu zusammengestellte Packung

#### Choisissez l'énergie pure de la couleur !

Slim color est la nouvelle proposition de Silca pour vos clés colorées. Cinq variantes fluorescentes qui vous permettent d'identifier immédiatement les clés destinées aux différents usages, sans modification de l'épaisseur.

Les avantages sont nombreux:

- Épaisseur réduite
- Profil Universel avec col long et tête en «L»
- Têtes originales
- Cinq couleurs: rose, bleu, vert, rouge, orange
- Boîtes assorties

#### Elija la energía pura del color!

Slim Color es la nueva propuesta Silca para sus llaves de color. Cinco colores fluorescentes que permiten identificar de inmediato las llaves destinadas a usos diferentes sin modificar demasiado su espesor.

Las ventajas son muchas:

- Espesor reducido
- Llaves universales con cuello largo y cabeza en "L"
- Cabezas originales para los perfiles
- Cinco colores: fucsia, azul marino, verde, rojo y naranja
- Cajas surtidas

#### Escolha a energia pura da cor!

Slim Color é a nova proposta Silca para as chave coloridas. Cinco variantes fluorescentes que permitem identificar imediatamente as chaves para diferentes usos e sem alterar a sua espessura.

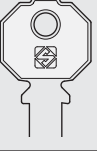

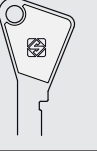

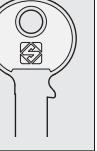

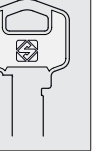

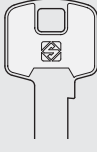

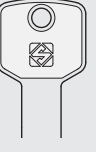

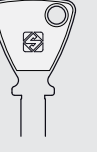

As vantagens são muitas:

- Espessura reduzida
- Universais com colo comprido e cabeça "L"
- Cabeças originais para perfis
- Cinco cores: fúcsia, azul, verde, vermelho, laranja
- Embalagem sortida
