New Software Release for GM® 2018
ADS2274 - Code D753083AD (Smart Pro only)

September 2018

Advanced Diagnostics is pleased to announce the new release of GM® 2018 ADS2274 pincode reading software.

What does the software do?

ADS2274 software is designed to read pincodes from various GM®, Chevrolet® and Holden® vehicles with proximity and bladed systems worldwide.

This software is available on Smart Pro only. If you are on a token plan on Smart Pro, one token is deducted per pincode.
Note: Additional software will be required for key programming (ADS2187 or ADS2130).

What else will I need?
